 - a. congregational care - - working out the details and practicality of koinonia within the body life of the church
 - b. local outreach - - which is not disconnected from body life In addition, we need training on how to respond to Mormon outreach in the local area, due to the building of a new large church in Otsego.
 - c. School of Ministry - - possible expansion of program in Fall2010 to include midweek training for adults and youth.
7. Next meeting is scheduled for 11:00 am on Jan 10, 2010. Items on the agenda are to vote on the 2010 Budget and the Eldership of Mike Perry.
